

As a Block Captain, we need you first to be a Host Home. You do this by adopting 8 to 10 houses within easy walking distance. This is your Home Team.

Next, we need you to help us form more Host Homes and Home Teams on your street.

Finally, we need you to be the link between your area's Home Teams and us.

And if you have any questions, go to [www.gracywoods.org](http://www.gracywoods.org) and click on the Neighborhood Watch.

We have lots of resources for you!

OK, here's the boring stuff:

Gracywoods Neighborhood Association represents the Gracywoods and Quail Hollow neighborhoods.

We are a recognized City of Austin Neighbor Association.

We are committed to diversity, community, and fostering communication between us and the City of Austin.

We meet every 1<sup>st</sup> Tuesday of the month. Our neighborhood meetings are open to the neighborhood.

We do not have dues, so we do depend on donations and volunteers to help us build our community.

**DON'T I  
NEED  
TRAINING?**

Answer: A Block Captain is someone who lives in our neighborhood and is willing to expend a little effort to keep the group going.

Duties require little formal training--about one hour/month to keep track of group members, set up meetings, make sure new neighbors are welcomed, and helps us all stay in contact.

We know that this means 2007 will be a busy year for all of us. Please keep a couple of things in mind:

First, finding Host Homes and creating Home Teams is going to take some work. Please remember that we are here to help! If you need help or run into roadblocks, please call us and we will come running!

Second, we will all need to work together to keep the flyers and brochures available. Materials and printing take time and money, so this will definitely be a group effort!

And in case you are curious, here are the things that will be going on in your neighborhood in 2007:

April "It's my Park" Day

May Park Clean up

Aug National Night Out

Oct Safety Night

Nov Park Clean Up

We will also be having Community talks, social events, and of course, Commander's Forums.
