As a Host Home, you adopt 8 to 10 houses within easy walking distance. This is your Home Team.

Then check out the list of what a Host Home can do for their Home Team. Remember to choose only what you have time for. Even ONE item is enough!

Item 1: give us your email address so we can send you flyers to pass out to your home team.

OK, here's the boring stuff:

Gracywoods Neighborhood Association represents the Gracywoods and Quail Hollow neighborhoods.

We are a recognized City of Austin Neighbor Association.

We are committed to diversity, community, and fostering communication between us and the City of Austin.

We meet every 1st Tuesday of the month. Our neighborhood meetings are open to the neighborhood.

We do not have dues, so we do depend on donations and volunteers to help us build our community.

Your neighborhood contact is:

I want to be involved, but I just don't have a lot of time!

Let's face it, people who live in Austin are caught in a catch 22. We want to live in safe communities but we don't have the time to create these kind of communities.

Gracywoods is going to change that this year.

We have created a way for people to help that WILL fit into even the craziest schedule. All we need you to do is volunteer to be a Host Home.

Item 2: We will have Spring & Fall Home Team Parties. Get a couple of gallons of ice cream and a table, then invite your Home Team. (Hint: Do this in the front yard, so you don't have to clean the house first!)

Item 3: Keep a list of emergency contacts\ phone numbers for your Home Team.

Item 4: Let your Home Team know that you are willing to pass on anything that needs to be addressed. Your block captain will really appreciate the info!

Item 5: Get your Home Team together and come to one of our neighborhood events.

And talking about events, here are the things that will be going on in your neighborhood in 2007:

April "It's My Park" Day

May Park Clean up

Aug National Night Out

Oct Safety Night

Nov Park Clean Up

We will also be having Community talks, social events, and of course, Commander's Forums.
